

# Surf Survival

**Term 4 2023 & Term 1 2024**

*This program provides students with surf awareness and self-rescue skills to safely participate in activities in the surf environment.*

*Please note that this season schools are required to have a pool proficiency prior to attending the course, due to Newcastle Baths Renovations. Alternatively, prior to attending Nobbys beach on the Beach day, pool swims can be conducted at Merewether Baths*

## **Day 1: In The Classroom**

Our instructors will come to your school to teach basic first aid and CPR skills, as well as educate participants about beaches and waterways.

## **Day 2: On The Beach**

Participants are provided with an intro to rescue techniques, and demonstrate the skills learned.

**Location:** Your School & Nobbys Beach

**Cost:** \$60 / student
